# Royal Rangers' LEAD Conference

September 24, 2011

**LEAD 2011 will inform, inspire, and challenge you!**

Starting now, we will officially refer to our Outpost Commanders Conference and Training Seminar as; **Royal Rangers LEAD Conference**. The name LEAD has great significance because it reminds us to *Love, Encourage, Accomplish, and Develop*. We are committed to being servant Leaders, and this acronym reminds us how to be just that.

*All outpost commanders & wives, men involve in outpost council, men's ministries, pastors and youth leaders are encouraged to attend this conference. God is taking Royal Rangers on a journey to influence more boys and young men than ever, more effectively than ever.*

***Momentum is building!***

This year God will challenge you and me to:

-  **Be the man**
-  **Brand the ministry**
-  **Become the brand leader**

Every son quotes his father in words and in deeds. Similarly, the influence of our leadership attitudes and habits will echo far into the future. So, like John the Baptist, our aim should be clear communication in word and deed: (John 1:6)

-  **Be the man** – Bear the fruit of manhood, which is Christ likeness;
-  **Brand the ministry** – Accomplish our mandate to mentor future men; and
-  **Become the brand leader** – Sacrifice and build a Christ honoring name and reputation for the Royal Rangers ministry that will bless generations still to come.

## **General overview:**

The focus of **LEAD2011** will be on communication. God has positioned Royal Rangers to influence more boys and young men than ever and to do so more effectively than ever. Now we must “make it so;” we must let the world know by good communication in word and deed. They will “hear us loud and clear” when we are authentic men of God, when we engage in leadership habitudes that properly brand the Ministry, and when we influence every Rangers leader around us to be and do the same. That is, we must be the man, brand the ministry, and become the brand leader. If we communicate together in one voice, we will impact Royal Rangers loudly, and that influence will echo far into the future.

## **IMPACT:** Mark 9:29

Leadership cannot do it alone; training others is the key to where we are in marketing agents that reflect the brand of Royal Rangers. Marketing runs on principles not on models. Marketing is the management of perception, “how you look like by people.”

## MESSAGE FROM OUR DISTRICT DIRECTOR (Matthew 28:19, 20)

It's an exciting time in the life of the Royal Rangers across Kentucky, this nation and around the world. God is positioning us to influence more boys and young men than ever, more effectively than ever.

In order to better position ourselves for future success, it is necessary for our leaders at all levels to have a clear understanding of the Royal Ranger brand in ministry and in leadership, and how to represent it accurately.

Leadership cannot do it alone; training others is the key to where we are in marketing agents that reflect the brand of Royal Rangers. Marketing runs on principles not on models. Marketing is the management of perception, "how you look like by people."

**Royal Rangers LEAD Conference.** The name LEAD has great significance because it reminds us to *Love, Encourage, Accomplish, and Develop.*

Come out and join us for this time of refreshment, encouragement, and informational time. Hope to see you there!
