Welcome to our 2017 Pow-Wow,
I am enthused to let our new outpost know some important information. You and your boys may come to our 2017 Pow-Wow with no equipment. That's right no tents, nor any camping equipment. All you need is a grill and food for you and your boys. We can put you and your boys in cabins and before you turn in for the night from a fun packed day; it is our mission to lead all unto Christlike character formation through more fervent relationship with our Lord and Savior Christ Jesus at this event. **This salvation experience is the Greatest Adventure of all.** All you have to do is call or text me to register for cabins, "they are limited" first come base. 502-222-8888. **Get registered, bring all permission, medical and release forms for boys; also pastors' approval forms for dads and commanders (leaders).** We only have nine four man cabins, so you may want to act quick and reserve cabins for your boys. Pow- wow is a life changing experience for all boys, young men, and old alike. Come and join us for the Greatest Adventure of all. A STRONG empowered life, character transformation, and tasks to carry out with the power of His might.

Pow-Wow Overview

Our Goals

There are four goals in Royal Rangers:

1. To instruct in Bible Doctrine. 2. To challenge for Christian service. 3. To inspire a belief in the fundamental beliefs of our church. 4. To satisfy the boy's basic need for activity.

POW-WOW can be a life-changing experience, for all that attend – leaders and dads as well as boys. This will happen by allowing the Holy Spirit to move during POW-WOW. We all can be an instrument of the Holy Spirit by asking for guidance through prayer, by relaxing and enjoying this camping experience, and being tolerant of others. Jesus Christ and the Holy Spirit will lead us by His grace as we strive to evangelize, equip, and empower the next generation of men for Jesus Christ, our Master Ranger. Come let's evangelize, equip, and empower the next generation of men in a restored vision for manhood. The Greatest Adventure of All, to follow Him in Christlike formation. (Luke 19:10)

Kentucky Pow-Wow is scheduled for Sep. 8-10. As in years past, outposts have the option to either camp or stay in the cabins (no additional fees apply). However, cabins will only be available Friday and Saturday night. Outposts are permitted to arrive early on Thursday after 1:00 pm, but are restricted to the camping area. Two meals will be available during pre-registration for those outposts choosing the camp provided meal plan.

For purchased ticket meals— First meal offered will be Saturday's lunch at Running Horse Activities Barn. Second meal offered will be Saturday's supper after activities. The canteen will be open for all to purchase meals snacks, drinks and ice all day Saturday from 9:00 A – 7:30 P

This year's theme pays tribute to the epic film series Star Wars; our motto will be, "**Star Force - Our Faith Awakens!**" Spiritual inspiration is drawn from Acts 1:8 & John 14:26 We encourage all outposts to embrace the epic struggle between light of Christ and darkness of Satan (The Republic vs. The Empire). All Royal Rangers are asked to portray their favorite Star Wars characters as well. Special awards will be given for the costumes and campsites entryways which best exemplify the camp theme.

Central to the "**Star Force**" theme are fun and exciting activities associated with battling the dark side. Pow-Wow will offer, paint ball—jousting—bounces— & Jedi training just to mention a few. Rangers will also have time to enjoy their favorite Pow-Wow activities such as archery, bb gun, and

this year's challenging obstacle course, plus construct a take home project (model rocket).

Also this year, outposts will have the opportunity to compete in our camp's first ever space rocket derby. All participating outposts will be required to bring a pre-constructed derby rocket to race at Pow-Wow. Awards will be presented for the fastest rocket and most creative design. For more details, refer to the derby overview and rules handout located in the registration packet.

2017 Kentucky District POW-WOW

KY District Royal Rangers wishes to continually improve Pow-Wow. This packet is designed as a tool to help in the basic preparation for this annual event. It contains guidelines, basic rules, necessary forms, awards criteria, and a list of activities at Pow-Wow. You are encouraged to begin equipping your boys for this event. Make this Pow-Wow the event your boys will remember. And don't forget to order your space ships from BSA. Building these flying machines for Pow-Wow can be a great outpost meeting feature.

Lastly, the success of Pow-Wow relies heavily upon the volunteer support and service of our leaders. If you are a Royal Rangers Commander and are willing to assist with the planning and coordination of Pow-Wow, or know of a Christian leader who might want to help, please send an e-mail to Gilbert E. Kerby, Event Coordinator at hawktheweapon@icloud.com For all FCF members of the long rifle Chapter, you are highly encouraged to setup your lodge and showcase your Jedi (frontier) skills in the village. Together, let's make this a memorable and exciting adventure for all Kentucky Royal Rangers.

Camp Staff; Imperfect men with a perfect intent. We are accepting your suggestions and your help. If you have a gift and would like to offer your services to help at events just call 502-222-8888.

Preparation

Leaders - please take the time to read this packet carefully. Begin making plans with your outpost. Perhaps you can start to prepare the boys' heart. We will be emphasizing the boys greatest adventure in all life is to become a child of God and to follow Jesus in all life's decisions. Christ like character formation will take place in doing so. In doing so will prepare boys and young men in those tasks God has for them to carry out. God has for all, the common task of believers; He also has that custom task that only you will be invited to carry out. *A Guy's Journey to Manhood* is a great book written by our fearless leader Doug Marsh. I encourage you to get this book and read it for yourself. Use it as a guide in helping boys and young men to recognize and except their task as children of God. Encourage each leader and boy to get this book. At the end of each chapter there are questions relating and a time for discussion with the boys. This will help prepare the soil in their life to receive His seed as the Holy Spirit gives them increase in restored vision for manhood, and servant leadership.

One important area for your boys; Saturday evening assembly is the **skit time**; which can earn your outpost Grand Pow-Wow an additional **five points and Patrol Spirit even more points** for participation. **Teach** your boys that we want participation as well as a time of listening, worshipping, and praying. **Teach** them to respect the time when boys come forward to prayer time, for salvation and seeking to be filled with the Holy Spirit. **Before dismissal do not leave to early or allow others to leave or joke around, but teach them to stay in an attitude of prayer and of worship.** If you need to leave, please slip out quietly. Thanks!

Marching your boys in formation with special or utility uniform with yells, cadence, and songs is a great way to gain control and motivate your boys and other outposts. In fact you can earn points toward the Grand POW-WOW award, and Patrol Spirit award.

Special uniform: Short sleeve uniforms are now authorized and encouraged. The National Royal Rangers has approved a specialty uniform. The special uniform consists of an Outpost T-shirt, "Royal Ranger related." The Kentucky District will allow the Special uniform to be worn at POW WOW for anytime. Theme costumes for patrols may be worn for skit time and assembly time only and FCF outfits anytime.

Uniform of the day will be POW-WOW T-shirt if it is clean, remember to look the same as one outpost. Additional 2017 Pow-Wow T-shirts will be available for purchase at the camp store for \$10.00 each; while supplies last. All others t-shirts will sell two for ten dollars.

GENERAL RULES

- Boys are to be supervised at all times and are not allowed to leave your camp without their commander's permission; and only then with the buddy system implemented. No boy around the lake without a commander.
- Please do bring any electronic devices, smart phone iPad etc.,
- Campfires will never be left unattended. Fires must be extinguished before leaving the campsite.
- Everyone is to be present at the pageant, morning formation, council fire, or other special events. Boys or leaders are not to stay in the campsite during these special times. Campsites will be checked.
- Leave your campsite cleaner than you found it.
- Campsites must be clean before your departure. The officer of the day will inspect your campsite for cleanliness. Before you get your patches. Please clear the campgrounds quickly on Sunday.
- **Tobacco products, alcohol, non-prescription, or illegal drugs are prohibited.** Individuals possessing such items will be escorted from the campgrounds.
- **Do not cut or chop on live trees.**
- Leader to boy ratio 1 to 5 is recommended. Adult leaders must camp with their boys in separate tents.
- Fireworks or firearms are prohibited, except for FCF display.
- Visitors from 2 p.m. to 5 p.m. only. Saturday NO EXCEPTIONS.
- **Sheath knives are prohibited**, except as part of an FCF costume.
- No knife of any type may be traded or sold during camp.
- Your entire outpost **must** be present at the awards presentation to receive your award.
- Disabled commanders and boys may request lodging in cabins upon pre-registration. Disability must prevent camping with the outpost, wheelchair bound, etc.
- Vehicles are to be parked in designated areas only. Disabled commanders and boys may request parking in other areas.
- Adults need to accompany boys to First Aid Station for treatment, located in Activities Barn.
- Shower facility rule must be followed at all times. Boys will shower in the A.M. time frames, and all men will shower in the P.M. time frames.
- **Each boy must be a Discovery Ranger, Adventure Ranger, or Expedition Ranger to sleep overnight at District POW-WOW without Guardian.**
- **No swimming or canoeing unless life guards are on duty.**

These rules are in place for everyone's safety, so all can have lots of fun during POW-WOW

Space Derby Rules

Space Rocket Derby Overview and Rules.

OVERVIEW – The Space Derby is similar to the Ranger Derby except that the models are miniature "rockets" – propeller driven and powered by three rubber bands – that travel along a heavy monofilament fishing line. This race is an opportunity for your outpost to rally as a team and enjoy the spirit of friendly competition amongst other outposts within the district. The "Official Space Derby Rules" are written to help you keep it simple and fun for your Royal Rangers and to know what to expect when it comes time to race your rocket.

RULES – Rocket Specifications To ensure that the race is as fair as possible, all rockets must be made from the Official BSA Space Derby Rocket Kit (this includes the rubber bands, propeller, front bushings, body, hanger, wire shaft and dowel). Order kits here <http://www.scoutstuff.org/space-derby-kit.html#.WYkROLpFyv0> Here are some additional rocket construction details to be aware of: Note: All illegal rockets will be disqualified prior to racing. The nose cone (propeller assembly) must not be glued in place on the nose of the rocket. A notch or groove should be formed in the tail of the rocket to seat the band holding dowel. The band holding dowel must not be glued in place. (These rules allow band replacement in case of breaks) b. The rocket body may be no longer than 7 inches, not including the propeller and fins. The width must be 2.75 inches. c. The hanging device supplied in the kit must be used and securely glued in place. d. The rockets will be powered by three (3) rubber bands as the motor (this leaves one additional rubber bands from your kit as backups in case of breakage during a race). e. There are no restrictions on the weight or design of the rocket. Rockets may be detailed in any way as long as it does not exceed length restrictions, is flight worthy, structurally sound and does not interfere with another rocket during the race. Pilots may use graphite powder between the propeller and the bushing if desired. Other forms of lubrication are not allowed.

Space Rocket Derby Rules

1. RULES – Rocket Specifications

To ensure that the race is as fair as possible, all rockets must be made from the Official BSA Space Derby Rocket Kit (this includes the rubber bands, propeller, front bushings, body, hanger, wire shaft and dowel). Here are some additional rocket construction details to be aware of:

Note: All illegal rockets will be disqualified prior to racing.

- a. The nose cone (propeller assembly) must not be glued in place on the nose of the rocket. A notch or groove should be formed in the tail of the rocket to seat the band holding dowel. The band holding dowel must not be glued in place. (These rules allow band replacement in case of breaks)
- b. The rocket body may be no longer than 7 inches, not including the propeller and fins. The width must be 2.75 inches.
- c. The hanging device supplied in the kit must be used and securely glued in place.
- d. The rockets will be powered by three (3) rubber bands as the motor (this leaves one additional rubber bands from your kit as backups in case of breakage during a race).
- e. There are no restrictions on the weight or design of the rocket. Rockets may be detailed in any way as long as it does not exceed length restrictions, is flight worthy, structurally sound and does not interfere with another rocket during the race.
- f. Pilot may use graphite powder between the propeller and the bushing if desired. Other forms of lubrication are prohibited.
- g. No auxiliary starting devices are allowed.
- h. No loose weights or material allowed.
- i. The hanger will be securely attached with the rounded end forward not protruding in the rubber band chamber. It should be mounted about in the center inch but balance is important in locating the right spot.

Once the rocket is submitted for entry, no further adjustments can be made except in the case of mechanical failure.

2. Rules - Inspection and Registration

Before the race begins, all participating “pilots” must check-in with their rockets.

- a. Before a rocket may compete in the Space Derby, it is subject to a technical inspection, to verify that it meets the prescribed specifications (see **Rocket Specifications** above for details). If a problem is noted, the pilot may be asked to correct it before the rocket is registered.
- b. When the rocket passes inspection, it is then registered along with the pilot’s outpost number.
- c. Registration will take place immediately following the conclusion of the Friday evening service.
- d. After registration, the rockets will be held in the Hanger by “Flight Operations” until race time.

3. Rules - Competition

- a. Prior to each heat, rocket numbers and lane assignments will be announced. Pilots are to take their rockets from the hanger and give them to the official winder, “Launch Control”, and then take their position at the finish line. Upon completion of the race, “Mission Control” will give the rocket back to the pilot to place back in the designated position in the hanger.
- b. Once the rocket has been accepted no further adjustments may be made except in the case of mechanical failure.
- c. Each rocket will be turned manually 100 revolutions; or if there is a manual or electric winder, each rocket will receive the same amount of revolutions.
- d. Any rocket that experiences a mechanical failure will be allowed to race again if the rocket can be repaired within three (3) minutes of their heat being called. A repair/maintenance hanger will be provided with tools and materials. If the rocket cannot be repaired within the allotted time the pilot will be given last place finish for that heat. All repairs must be done with “Flight Operations” observing and certifying the rocket’s flight worthiness.
- e. In the event that all rockets do not reach the end of the track, final position by distance will determine the race results.
- f. All rulings by Flight Operations and Mission Control are **FINAL**.

4 Rules - Rewards and Recognition

The most important values in the Space Derby competition are group participation, good sportsmanship and learning how to follow rules. The Awards Committee is responsible for recognizing and encouraging these qualities in addition to traditional racing awards. Here are the tangible awards that you may receive:

- a. Every participating outpost will receive a Space Derby participation ribbon.
- b. All rockets participating in the Space Derby are eligible for “best in show” awards. Judges will reward creativity and workmanship.
- c. Trophies will be awarded to the first, second and third-place finishers.

Adult Screening Form

In recent years, churches have been sued because of child abuse or molestation occurring in church youth or children’s programs. In most of these cases, the plaintiffs allege one or both of the following:

1. **The church was negligent in hiring the molester to work with minors (i.e. the church hired and/or used volunteers without any screening or evaluation).**
2. **The church was negligent in supervising the individual.**

Completion and submission of this screening form meets one of the requirements that show the Kentucky District Royal Rangers is screening adult leaders who will be attending POW-WOW. It will be used to help provide a safe and secure environment for those boys who participate in our program and use Kentucky District facilities.

This form is to be completed and **turned in upon arrival at Registration** by all adults eighteen (18) years old or older, for any position involved in the supervision of boys at the Kentucky District POW-WOW. **Be sure to include a medical form for each adult also.**

Note!!! The Entry Way may be built at the outpost and assembled at Pow-Wow. It is to be planned and built by the **boys and leaders** of the outpost. Commanders will assist in design and some construction. However, **allow your boys to build much of this!!!** *Their own work is what we are looking for and is what they will be judged on and most proud of. Let them make memories, don't try to make them for them, it won't work my friend.*

It is an extremely difficult judgment call to say the Entry Way is totally adult built and therefore you're on your honor. Men, we are relying upon your integrity to verify that your boys helped designed and built this Entry Way. Therefore, I am asking you to sign the following statement and then post this Judging form on your Entry Way prior to the inspection on Saturday.

Thank you for your cooperation in this matter.

By signing my name to this form, I testify to the fact that the boys of my outpost did most of the work and design to bring this Entry Way into existence.

Signature of Senior Commander at POW-WOW

"I want to challenge our leaders to grow, to reach out to influence more boys and young men than ever and do it more effectively than we ever have."

What a year it has been! We are thrilled to see the ministry grow here in Kentucky and around the world proclaiming the Good News of Jesus Christ. Through your prayers, your personal ministry of evangelism, and financial support this year and past.

But our work can't stop there... because God has commanded us to make disciples of all nations (Matthew 28:16-20). All nations! That's no small task, and what an adventure it is! There are countless people around the world who desperately need to hear the Good News of Jesus Christ. Far too many of them have no clue that God is searching them out for personal and eternal friendship full of adventure. We have millions of boys and young men to influence, so our best days must lie ahead—there eternal destiny depends on it! **WE MUST INFLUENCE MORE BOYS AND YOUNG MEN THAN EVER. In 2016, we plan in restored vision for manhood to as many as possible... but we can't do this without you and your prayers! Please keep praying!!**

Our small team relies on your prayer support as we seek to encourage and provide resources to influence more boys and young men than ever and do it more effectively than ever. I urge you to partner with us in prayer each and every day. Just a few minutes spent in prayer each day makes a world of difference. "With people this is impossible, but with God all things are possible" (Matthew 19:26). Thank you so much for praying!

"Ready" in His service,

Gilbert E. Kerby
