Welcome to our 2018 Pow-Wow,
I am enthused to let our new outpost know some important information. You and your boys may come to our 2018 Pow-Wow with no equipment. That's right no tents, nor any camping equipment. All you need is a grill and food for you and your boys. We can put you and your boys in cabins and before you turn in for the night from a fun packed day; it is our mission to lead all unto Christlike character formation through more fervent relationship with our Lord and Savior Christ Jesus at this event. **This salvation experience is the Greatest Adventure of all.** All you have to do is call or text me to register for cabins, "they are limited" first come base. 502-222-8888. **Get registered, bring all permission, medical and release forms for boys; also pastors' approval forms for dads and commanders (leaders).** We only have nine four man cabins, so you may want to act quick and reserve cabins for your boys. Pow- wow is a life changing experience for all boys, young men, and old alike. Come and join us for the Greatest Adventure of all. A STRONG empowered life, character transformation, and tasks to carry out with the power of His might.

Our Goals

There are four goals in Royal Rangers:

1. To instruct in Bible Doctrine.
2. To challenge for Christian service.
3. To inspire a belief in the fundamental beliefs of our church.
4. To satisfy the boy's basic need for activity.

POW-WOW can be a life-changing experience, for all that attend – leaders and dads as well as boys. This will happen by allowing the Holy Spirit to move during POW-WOW. We all can be an instrument of the Holy Spirit by asking for guidance through prayer, by relaxing and enjoying this camping experience, and being tolerant of others. Jesus Christ and the Holy Spirit will lead us by His grace as we strive to evangelize, equip, and empower the next generation of men for Jesus Christ, our Master Ranger. Come let's evangelize, equip, and empower the next generation of men in a restored vision for manhood. The Greatest Adventure of All, to follow Him in Christlike formation. (Luke 19:10)

This year's theme is more than a catchy phrase, "Relentless Pursuit." Exciting activities like shooting bows and guns, Action Camps, and Junior Leadership Camps are all good wholesome fun, but these are temporary. God intends your entire life to be a spiritual adventure with Him. We want young men and boys to realize that the greatest adventure in all life is in walking with Christ Jesus. In doing so, Christ like character formation will take place in their life. For Guys, adventure abounds. In fact, if you are bored in your Christian walk God has a cure— adventure. Every opportunity to obey God's word and His instructions is an invitation to adventure. Those who do except God's plan and follow Him become exceptional men and leaders God intends them to become. Matthew 11:29 Take my yoke upon you, and learn of Me.

KY District Royal Rangers wishes to continually improve Pow-Wow. This packet is designed as a tool to help in the basic preparation for this annual event. It contains guidelines, basic rules, necessary forms, awards criteria, and a list of activities at Pow-Wow. You are encouraged to begin equipping your boys for this event. **Make this POW-WOW the event your boys will remember.**

Camp Staff; Imperfect men with a perfect intent. We are excepting your suggestions and your help. If you have a gift and would offer your services to help at events just call 502-222-8888.

Preparation

Leaders - please take the time to read this packet carefully. Begin making plans with your outpost. Perhaps you can start to prepare the boys' heart. We will be emphasizing the boys greatest adventure in all life is to become a child of God and to Pursue Jesus in all life's decisions. Christ like character formation will take place in doing so. This will prepare boys and young men for his tasks God has for them to carry out. God has for all, the common task of believers; He also has that custom task that only you will be invited to carry out. *A Guy's Journey to Manhood* is a great book written by our fearless international leader, "Doug Marsh." I encourage you to get this book and read it for yourself. Use it as a guide in helping boys and young men to recognize and except their task as children of God. Encourage each leader and boy to get this book. At the end of each chapter there are questions relating and a time for discussion with the boys. This will help prepare the soil in their life to receive His seed as the Holy Spirit gives them increase in restored vision for manhood, and servant leadership.

One important area for your boys; Saturday evening assembly is the **skit time**; which can earn your outpost Grand Pow-Wow an additional **five points and Patrol Spirit even more points** for participation. **Teach** your boys that we want participation as well as a time of listening, worshipping, and praying. **Encourage** them to respect the time when boys come forward to prayer time, for salvation and seeking to be filled with the Holy Spirit. **Before dismissal do not leave to early or allow others to leave or joke around, but teach them to stay in an attitude of prayer and of worship.** If you need to please slip out quietly. Thanks!

Marching your boys in formation with special or utility uniform with yells, cadence, and songs is a great way to gain control and motivate your boys and other outposts. In fact you can earn points toward the Grand POW-WOW award, and Patrol Spirit award.

Special uniform: Short sleeve uniforms are now authorized and encouraged. The National Royal Rangers has approved a specialty uniform. The special uniform consists of an Outpost T-shirt, "Royal Ranger related." The Kentucky District will allow the Special uniform to be worn at POW WOW for anytime. Theme costumes for patrols may be worn for skit time and assembly time only and FCF outfits anytime.

Uniform of the day will be POW-WOW T-shirt if it is clean, remember look a like outpost. Additional 2018 Pow-Wow T-shirts may be available for purchase at the camp store for \$15.00 each; while supplies last. All others t-shirts will sell two for \$15.00.

Duct Tape & Cardboard Boat Regatta Rules

Official Duct Tape and Cardboard Boat Regatta Rules for Kentucky District Royal Rangers

How are your engineering and boat building skills? Try them out here at our Cardboard & Duct Tape Boat Regatta at this fun, family event!

Regatta Rules Material Requirements

Build boats using only brown corrugated cardboard and duct tape for the regatta boat. No glue, fasteners of any kind, paints, or coatings of any kind. Use **ONLY BROWN** corrugated cardboard for the regatta. No plastic, plastic coated, paper coated, labelled or waxed cardboard allowed. No cardboard tubes allowed!

The maximum allowable thickness of corrugated cardboard is one-half inch. You may **NOT** use any other objects to give to the structural rigidity or the craft's flotation ability. We encourage decorations to create a theme (must be family campground appropriate in nature). Themes can include hats and clothing. Cardboard boats may be decorated with markers or paint (as in the boat's name), but decorations may not help keep the boat together, or aloft. Cardboard must be **BROWN**. Do not paint the whole boat.

Regatta Rules Design Parameters:

We inspect the boats the day of the regatta during building and prior to the race and must follow these guidelines. Any boat not following these guidelines will result in disqualification. Boats require untreated, non-coated corrugated cardboard. The entire hull, superstructure, and seating must also be made from corrugated cardboard. The maximum thickness of cardboard allowed is two thicknesses. The maximum single thickness of cardboard you may use is 1/2 inch. Thus, the maximum thickness of your two thicknesses of cardboard is one inch. The "seats" may be made of boxes or cardboard.

Only the seams and joints may be taped, not the entire boat. In other words, you may only tape where you put two pieces of cardboard together. When taping seams, only 1.5 inches of tape can overlap the seam. When taping seams, a minimum of twelve inches of cardboard must separate seams. To score the cardboard, use the dull side of a knife — it makes the cardboard easier to bend.

Both people must be clearly visible while the boat is in the water during the regatta. All occupants of a boat must be able to swim. All occupants must wear a life preserver (provided), water shoes, sneakers, or sandals (no flip flops allowed!). Single occupants must be 9 years or older.

Each team must remove their entire boat (including any and all decorations) or boat remains from the water when the regatta is finished. All boats and remains must be placed in the dump trailer provided.

Boat Propulsion

All boats may be propelled through the water by: utilizing a paddle or oars made of cardboard and duct tape (cardboard tubes are not allowed.) a sail of some sort arms may be in the water to aid with stability and/or propulsion. Boats may not be towed, pulled, or ride on top of participants (immediate disqualification).

Adult Screening Form

In recent years, churches have been sued because of child abuse or molestation occurring in church youth or children’s programs. In most of these cases, the plaintiffs allege one or both of the following:

1. **The church was negligent in hiring the molester to work with minors (i.e. the church hired and/or used volunteers without any screening or evaluation).**
2. **The church was negligent in supervising the individual.**

Completion and submission of this screening form meets one of the requirements that show the Kentucky District Royal Rangers is screening adult leaders who will be attending this event. It will be used to help provide a safe and secure environment for those boys who participate in our program and use Kentucky District facilities.

This form is to be completed and turned in upon arrival at Registration by all adults eighteen (18) years old or older, for any position involved in the supervision of boys at the Kentucky District Event.

Commanders will assist in design and some construction. However, **allow your boys to build much of this!!!** *Their own work is what we are looking for and is what they will be judged on and most proud of. Let them make memories, don't try to make them for them, it won't work my friend.*

It is an extremely difficult judgment call to say the Entry Way is totally adult built and therefore you're on your honor. Men, we are relying upon your integrity to verify that your boys helped designed and built this Entry Way. Therefore, I am asking you to sign the following statement and then post this Judging form on your Entry Way prior to the inspection on Saturday. **Thank you for your cooperation in this matter.**

By signing my name to this form, I testify to the fact that the boys of my outpost did most of the work and design to bring this Entry Way into existence

“I want to challenge our leaders to grow, to reach out to influence more boys and young men than ever and do it more effectively than we ever have.”

What a year it has been! We are thrilled to see the ministry grow here in Kentucky and around the world proclaiming the Good News of Jesus Christ. Through your prayers, your personal ministry of evangelism, and financial support this year and past.

But our work can't stop there... because God has commanded us to make disciples of all nations (Matthew 28:16-20). All nations! That's no small task, and what an adventure it is! There are countless people around the world who desperately need to hear the Good News of Jesus Christ. Far too many of them have no clue that God is searching them out for personal and eternal friendship full of adventure. We have millions of boys and young men to influence, so our best days YET lie ahead—there eternal destiny depends on it! **WE MUST INFLUENCE MORE BOYS AND YOUNG MEN THAN EVER.** In 2018, we plan in restored vision for manhood to as many as possible... but we can't do this without you and your prayers! Please keep praying!!

Our small team relies on your prayer support as we seek to encourage and provide resources to influence more boys and young men than ever and do it more effectively than ever. I urge you to partner with us in prayer each and every day. Just a few minutes spent in prayer each day makes a world of difference. “With people this is impossible, but with God all things are possible” (Matthew 19:26). Thank you so much for praying!

“Ready” in His service,

Gilbert E. Kerby
