BRONZ PATHFINDERS TRIP 2008

APACHE RESERVATION

JUNE 17TH - 24TH

Our Kentucky District has scheduled a pathfinder's trip out west. This is a Bronze Medal Trip for all that attend. The cost will be \$700 for each person. That includes round trip airfare, food and lodging. We only have room for 16 persons to go. Royal Rangers' and non-Royal Rangers are welcome with pastor's approval form.

Boys attending the Junior Missions Camp this year will receive a \$200.00 scholarship for this trip. This means each young man will need to raise for himself \$500.00 for this trip. \$200.00 needs to accompany the application before tickets will be purchased (**no refunds**). Registrations received after February will be subject to a \$400.00 increase, because of airfare cost.

All boys 14 & 15 years-of-age may participate in a Pathfinder Missions trip when accompanied by their legal guardian and all necessary forms have been completed and mandated insurance secured; Boys 16 & 17 years-of-age may participate without being accompanied by their legal guardian when all necessary forms have been completed and mandated insurance secured.

All Gold Pathfinder Missions must be pre-approved by the Pathfinders Committee, which reserves the right to impose additional age restrictions on select gold level projects. No one under the age of 14 may participate in a Pathfinders MAPS Builders project.

** Information, including all necessary forms and insurance, may be secured by downloading them from the [National Pathfinders web-site](#) found on the front page of the Kentucky District Royal Ranger Web site at www.kyroyalrangers.org . Pathfinder teams can include skilled non-Rangers so long as everyone completes required forms.

If you want to pick-up a hammer and nail, and, yes, your backpack, to be mightily used by God... get involved in Pathfinder Missions.

For answers to questions or prayer call Gilbert E. Kerby at 1-888-776-8324 or e-mail at xpert_exteriors@yahoo.com

“ready” in His service,
Gilbert E. Kerby
