

FCF Greetings

I would like to take this opportunity to wish everyone a merry Christmas and a happy New Year. It is my wish that you enjoy and remember the reason for this awesome season.

I would also like to say how excited I am with my new position although there are others that could do a better job than myself. God doesn't care as much about qualifications as He does about willingness and servant hood.

I would like to encourage all FCF members to become more involved in this New Year coming. Any program is only as strong as its members, so I challenge all members even if you have not been active for a while to support this ministry and let's make the Kentucky Longrifles the strongest FCF chapter in our region.

Don't forget to register, remember the upcoming dates, and plan to attend our events.
