

{THE PLAN}

In the beginning was the plan.

And then came the assumptions.

And the assumptions were without form.

And the plan was completely without patrol method.

And darkness was upon the face of the patrol.

*And they spake unto their assistance patrol guide and sayeth,
It is a pot of dung, and it stinketh.'*

*And the assistance patrol guide went unto the patrol guide and sayeth,
It is a pile of manure, and none may abide the odor thereof.'*

And the patrol guide went unto the senior guide and sayeth unto him, it is a container of excrement, and it is very strong, such that none may abide by it.'

And the senior guide went unto the lieutenant commander and sayeth unto him, it is a vessel of fertilizer, and none may abide its strength.'

And the lieutenant commander went unto the outpost commander and sayeth, it contains that which aids growth, and it is very strong.'

And the outpost commander went unto the senior commander and sayeth, it promoteth growth, and it is very powerful.'

And the senior commander went unto the pastor and sayeth unto him, this powerful new plan will actively promote growth in the outpost and church.'

And the pastor looked upon the plan, and saw that it was good.

AND ALL PLAN'S WITHOUT PATROL METHOD BECAME POLICY.
